CLOs and their teams are members

network

MEMBERSHIP ELEMENTS

CONNECT

Build a strong peer network and gain new perspectives from peers who understand your most critical priorities and are facing the same challenges.

SHARE

Gain access to an extensive peer-developed meeting programme allowing you to hear from current, influential leaders as well as exchange ideas, network with, and learn from your fellow members.

GAIN INSIGHT

Addressing your top challenges you will have access to actionable insights and best working from some of the world's leading organisations.

GLOBAL C-SUITE COMMUNITY

VIRTUAL ROUNDTABLES

Structured as facilitated conversations, enabling you to truly tap the breadth and depth of the programme by engaging with industry experts and your peers in a confidential setting.

C-SUITE ROOMS

Meaningful opportunities to engage with your peers within a dedicated private space. There is also an area for your team.

C-SUITE KNOWLEDGE BANK A place where you can download

existing and co-create new best practice, frameworks and tools as well as crowdsource ideas, templates and solutions.

C-SUITE PULSE

Winmark's daily C-Suite Intelligence service provides news, content and research, ensuring business leaders have the ability to tap into the latest and best thinking in the world.

BROADER C-SUITE ACCESS

C-SUITE LEADERS

1,500+

The C-Suite approach enables you to tap into

the depth of knowledge of not only your own peer group but the breadth of knowledge delivered through the broader C-Suite access.

150+

As a member you can attend any of our other C-Suite meetings.

C-SUITE NETWORKS The C-Suite approach enables CLO's to tap into the depth of knowledge of their own peer group and the

breadth of knowledge delivered through the broader C-Suite access, such as NEDs, CEOs, COOs, CFOs, CIOs, CPOs, CMOs, CHROs and other communities. 20k+
